Babassu Body Polish

Apply to damp skin, using the hands to work over skin in gentle circular motions, avoiding sensitive areas.

DIRECTIONS FOR USE

For best results, and improved lymphatic drainage and stimulation, work from the feet to the torso and then from the hands to the torso.

Rinse with warm water being careful to maintain sure footing. This product contains an emulsifier to help reduce slipperiness but your shower / bath floor may become slick.

MANUFACTURING INSTRUCTIONS

This base has a very high natural odor so it was developed for a higher fragrance load. It isn't necessary to heat this base to scent it. Just add your fragrance / essential oils and stir to combine.
